**Email conversation of  
the day on foreign ex-  
change:**

I traveled with Rotary which I can highly recommend. They give you a lot of opportunities, sponsor a lot of stuff and take really good care of you. They make sure that you are happy and safe and arrange different trips around your host country and with other exchange students, :-) Also, it is usually way cheaper than the other offers...

**THOUGHT FOR THE WEEK:**

**“The Olympics have been with the world since 776 BC, and have only been interrupted by war—especially in the modern era.”**

**PROGRAM: Jill Schroeder, Had Solberg, and Greg Bartz present:  
Giulia Re, Former Youth Exchange Student from Italy**

Giulia Re was our YE student in 2014-15. She finished her last year of high school and celebrated her 18<sup>th</sup> birthday when she got back to Italy last year, as well as travelled to London and the Dolomite Mountains and skied the Alps in her home country. She had a school trip to Munich and another trip to Cinque Terre after final exams. She plans to study law at Bocconi University. She was accompanied by her father Michel, mother Patricia, and her two sisters Matilde and Cecilia. Her two younger sisters want to follow in Giulia's footsteps as youth exchange students. Her father is a Rotarian and he thanked WB Rotary for his daughter's experience with us. He is a lawyer in the sports business, has a connection to Lance Armstrong and enjoys cycling. He exchanged club banners with President Ken. Patricia is very proud of Giulia and her sisters. She is an interior designer. Giulia's Mom also noted how much poise and confidence Giulia came back home with. She also thanked the club for accommodating Giulia in her time with us and likes American smiles. Giulia was leading the family tour to Mall of America, the U of M, White Bear High School and other points of interest during their visit.

## Deep In The Heart Of Texas

*The stars at night are big and bright...  
(4 claps) Deep in the heart of Texas.  
The prairie sky is wide and high...  
The sage in bloom is like perfume...  
Reminds me of the one I love...  
Coyotes wail along the trail...  
The rabbits rush around the brush...  
The cowboys cry "Ki-yip-pee-yi"...  
The doggies bawl and bawl and bawl*
