

CLASSIFICATION: JIM RATHBURN, REINSURANCE

An Irish poem, authored by Jim Rathburn:
It is a poem, ditty, or something altogether else - call it however you may
White Bear Rotary welcomed me in/ for that I am grateful each and every day

Born in Wisconsin back in 1960, spent half my life there and it was nifty
Graduated from UW in 1983, since in state tuition Dad was paying, he thought this was thrifty

As Marlyce and Bill Rust well know - we pull for the Pack all the glory that comes with it
A franchise stockholder of the Green and Gold am I - YAH HEY DON'T YOU KNOW it is a perfect fit

Met wife Lori in Sconnie, and we made it official in 83, still hitched now in year 33
Callie, Caitlin, and Sean are the three kids, college all paid, empty nest, and we are free

Began as a lawyer in St Paul and moved into insurance and reinsurance of it
Been a great career, and never looked back, no, no, no - not one little bit

To White Bear Lake we moved, been here since 1986, what a lovely spot we found
Great community, schools, friends and neighborhood all abound
Knew it was home for life, right up to when Mueller puts us in the ground

Drake and Galloway, they came a callin', with ROTARY visions for Jim's give back plan in hand
Service opportunity accepted, ROTARY was the right spot, helping others, and it's been grand

A tip of the hat to Ken Baltzer, with his support, friendship, Rotary dedication and lyrical way
If I could - I'd sing it like Ken from the Rooftop, but that is not my play
I'll just finish with a salute to all -- for all you do, in words and actions each and every day

THOUGHT FOR THE WEEK:

- Be fair
- Be kind
- Be understanding
- Be honest
- Be thankful
- Be a good sport
- Be a good friend
- Be joyful
- Be generous
- Be gentle with others
- Be positive
- Message from the Wetterling family in remembering Jacob Wetterling

MINNCOR Industries is the industry program for the Minnesota Department of Corrections. This is a financially self-sufficient program that manufactures several different product lines while creating a safe working environment for offenders.

6 Minnesota prisons implement this program, and each prison has a product that they specialize in. MINNCOR Industries has a variety of customers including MNDOT, Mankato State, MN DNR, and creating the city of White Bear Lake's new dock system.

In addition, MINNCOR Industries offers the EMPLOY Program, which is geared towards giving its participants the necessary skills to locate, gain, and retain employment after being released from prison. Prior to an offender's release, the program offers training on job skills like resume writing, job searching, and interviewing. After an offender's release, the program offers support services to help find work and transition back into society.

YOU ARE MY SUNSHINE
You are my sunshine, my only sunshine,
You make me happy when skies are gray,
You'll never know, dear, how much I love you,
Please don't take my sunshine away.

The other night, dear, as I lay sleeping,
I dreamed I held you in my arms,
When I awoke, dear, I was mistaken,
And I hung my head and I cried: (Chorus)

You made a promise that you would love me,
If I would only do the same,
But now you've left me to love another,
You'll regret it all some day. (Chorus)
