Program: Chuck Sandstrom Presents: PAI

Brandon Spears, Program Director, and Amy Dauplais, Development Manager for PAI, presented a most interesting program. PAI is a 501(c)(3) non-profit organization providing day programming for adults with developmental disabilities. Their mission is to engage individuals in meaningful participation in and connection with the community. PAI has 4 locations in the White Bear Lake area and serves more than 280 people. PAI offers an array of services and opportunities for adults who want to design a life they love. PAI helps adults build personal connections, maintain relationships through its life skills training, provides opportunities to explore the community and engage in various activities, and helps its clients develop vocational skills to perform paid on-site employment and community based employment. Volunteers can connect with PAI in several ways such as volunteering for community outings, donations, offering employment opportunities, and board service. Over the last few years public funding has been cut and PAI needs to expand their revenue stream from private donations. To learn more about this excellent organization and how you can contribute, contact Amy Dauplais at 651-846-9271 or visit their website at www.paimn.org. Thank you Brandon, Mike and Amy for all you do.

*Oh, when the saints go marching in,
Oh, when the saints go marching in,
Yes, I want to be in that number,
When the saints go marching in.
And when the sun begins to shine,
And when the sun begins to shine,
Yes, I want to be in that number,
When the sun begins to shine.
Oh, when we meet at ROTARY,
Oh, when we meet at ROTARY,
Yes, I want to be in that number,
When we meet at ROTARY.*
