Paul Riedel, a 1994 STRIVE scholarship recipient, talked to the club about how the scholarship changed his life. He had some personal struggles, wayward at home, till hearing about STRIVE. He won the scholarship, and that laid the groundwork. He went on to AT&T, finished schooling at Metro State, and ended up supervising hundreds of stores in the region.

Program:

New club president John Channon communicated his vision and club goals for the coming year. Channon attended the international conference in Hamburg, Germany, and was inspired by the turnout, the diversity and the energy. He said 1.3 million Rotarians donate 45 million hours a year. Currently Rotary International is trying to hit \$2.2 billion endowment mark, so it can annually put \$100 million toward projects worldwide.

Channon said key priorities for the club:

-Increase our impact.

-Expand our reach in service.

-Expand engagement.

-Increase our adaptability, so that we can respond to changing demographics that affect club memberships and those that dictate service.

Our mission is building friendships and improving lives through hands-on projects in the White Bear area and globally. He said our club is known for community events, youth leadership programs and service above self, and he wants to see us deepen those traits. We also are known as a club that likes to have fun, has active members, and reflects our the makeup of our community.

Some main goals and some highlights in committees, regarding the coming year:

-Increase membership

-Get our new mentor program up and running well

-We will add an additional STRIVE scholarship of \$6,000

-We want to come up with a new community, collaborative event

-We want to continue to build up the new Youth Exchange committee

-We will celebrate our club’s 40th anniversary.

Ken Baltzer: Song

I'VE BEEN WORKIN' ON THE RAILROAD

*I've been working on the railroad
All the live-long day.*

*I've been working on the railroad,
Just to pass the time away.*

*Don't you hear the whistle blowin',
Rise up so early in the morn.*

*Don't you hear the captain shouting,
Dinah, blow your horn!*

*Dinah, won't you blow, Dinah, won't you blow,
Dinah won't you blow your horn!*

*Dinah, won't you blow, Dinah, won't you blow,
Dinah won't you blow your horn?*
