PROGRAM FROM MEETING OF 3/2/22:

Jan Chamberlin, Dance

Jan has over 40 years of dance experience. She has a Bachelor of Fine Arts in dance performance from Marymount Manhattan College; studied ballet, modern and jazz with various New York dance companies; performed and choreographed dance in New York theater companies ;was an adjunct professor of dance at Marymount Manhattan College. Since 2002, Ms. Chamberlin has taught dance at the White Bear Center for the Arts and Just for Kix. As Ms. Chamberlin explained, dance improves balance, strength, brain power, health, emotions, and improves all of our senses. As part of the Program, the dance floor was cleared of tables and chairs and Jan taught the Rotary members to dance to the 1942 Agnes DeMille’s ballet rendition of the Aaron Copland’s Rodeo. The Rodeo ballet is a barn dance hoedown with the dancers imagining they are dressed as cowboys, cowgirls, and farm hands. The Rotarians, in their imaginary outfits, looked splendid on the dance floor. Pat McFarlane received many compliments on his two-step and fabulous pirouettes. Jan, thank you for this excellent and fun program.
