

ROTARY SAILING FLOTILLA

Croatia 2023

ROTARY SAILING FLOTILLA

As Rotarians,

- we can make change through our good work with one another
- we can make positive changes by getting to know one another better and partner in friendship to create peace and hope in the world.

We have a wonderful opportunity to do just that

- **join us for a Rotary peace building sailing flotilla in Croatia 2023! September 16-26, 2023**

DAY 1

Kastela-Milna Brac 14NM

Meet in the marina of Kastela, located near the airport of Split. After buying food and drinks for the trip, we sail out in the direction of the island of Brac. Overnight at the ACI Milna marina.

DAY 2

Milna-Jelsa 20NM

During the day walk along the island of Brac, which is 95% vineyards planted in the 19th century. Now the locals grow grapes, fish, produce olive oil or extract the famous "Brac stone". Visit one of the best beaches, located in the south of the island near Bol, called "Zlatni Rat" ("Golden Cape"). In the afternoon moor in Jelsa marina and visit one of the best wineries in Croatia – TOMIC and participate in wine testing. In the evening, dinner at a restaurant on the waterfront.

DAY 3

Jelsa-Hvar 25NM

Crossing around the island of Hvar we will moor at Palmizana marina. Then take a water taxi to the city of Hvar. The main attractions of the port city of Hvar are the 13th century city walls, the hilltop fortress and the main square with the Renaissance Hvar Cathedral. At sunset, the bastions of the fortress offer an excellent view of the archipelago of nearby islands. Hvar is also famous for its numerous nightclubs and discos.

DAY 4

Hvar-Vis 15NM

In the morning, sail for the Island of Vis. Located north of Hvar, the island was occupied by the military of Yugoslavia for a long time and is closed to the public. On the island, we will take a sightseeing tour of the island, visit the town of Komiža, and see the WWII airfield. In the evening, dinner at the Rocis winery.

DAY 5

Vis-Bisevo-Korcula 30 NM

Early in the morning set off around the island of Vis to the island of Bisevo, where we will visit one of the wonders created by nature - the blue cave. Then see the blue grotto and sail to the island of Korcula and dock at the marina Vela Luka.

DAY 6

Korcula-Palmizana 17 NM

In the morning, by bus, visit the medieval town of Korcula, where according to legend, the famous traveler Marco Polo was born. Then drive to neighboring Lumbarda and have lunch at the famous Bire winery. Korcula is the birthplace of the Posip white grape, the most popular in Dalmatia. In the evening transfer to the island of Palmizana. Dinner at the restaurant.

DAY 7

Palmizana-Kastela 25NM

In the morning set sail towards Split. We will pass the Spalitskie vrata strait between the islands of Brac and Solta and in the afternoon moor in the marina of Kastela. Excursion to the city of Split. Gala dinner in the city.

DAY 8

Split

In the morning leave the boats and go by bus for breakfast to a restaurant in the Kastela marina. Then go to Split, check into a hotel and have a sightseeing tour of the medieval city. We will have lunch in the old town and in the evening, there will be free time to walk around and explore the city.

DAY 9

Krka National Park

After breakfast at the hotel restaurant, go by bus to the national park on the Krka River. While touring the park, you will see a system of beautiful waterfalls and ride along the Krka River. Lunch will be at Roca eco-farm.

DAY 10

Sibenik

In the morning we leave for the city of Sibenik, protected by UNESCO. Guided tour of the city center. Lunch at the Piligrini restaurant on the main square of the old town.

CREATE HOPE IN THE WORLD

We would like each participant to voluntarily fundraise US \$100 to support a Clean Water project. We plan to make a collective Rotary contribution to that cause prior to departure.
