"Passport for Success":

The new **Mentoring Program** for our Rotary Club was developed by the Membership Team, lead by Greg Bartz. Special thanks to Pam Bowers for making the suggestion, DJ Clark's perspective, and Steve Griffith's drafting of the "Passport for Success". The program assigns a Club Mentor to each new member and establishes a 3-month orientation/club involvement procedure. Mentors are needed. Please contact Greg Bartz if you are interested in being a Mentor or if you would like to nominate a Mentor.

Program: Ron Solheid, The Minnesota Corrections System

Ron Solheid has 30 years' experience working for the Minnesota Department of Corrections and recently retired as Deputy Commissioner of Corrections, which post he held for 7 ½ years. The Department has 10 correction facilities which house 9,849 prisoners and employs a staff of 4,300 of which 2,300 are correction officers. 50% are in prison because of person to person offences; 10.3% for property offences; 5.3% for DWI; 6.9% for weapons; 18.5% for drug offenses; and 8% for other reasons, such as parole violations. Minnesota has determinative sentencing based upon guidelines under which 2/3 of an offender's sentence is spent in incarceration and 1/3 under community supervision (parole). The 4 big reasons for recidivism (repeat offenders) are anti-social cognition, anti-social companions, anti-social personality/temperament, and family and/or marital circumstances. The Department of Corrections tries to reduce recidivism by providing chemical dependency treatment, education, employment, and sex offender treatment. The average yearly cost to house an inmate is approximately \$35,000.00 a year. Ron, thank you for this excellent and most interesting program and please enjoy your retirement
