**Program: .Marty Rathmanner presents:  
John and Becki Schweitz, BonafideU**

John is a Fund-Raising Consultant and Attorney with a special interest in Planned Giving Development. He is a Co-Author of "Irregardless Ain't a Word: The Way You Speak and the Way You Write Says A Lot About You"

John and Becki Schweitz formed and operate BonafideU. Bona fide, as a word is an adjective and is defined as genuine, real, authentic, true. Their message is:

In society, we celebrate and reward great students with accolades, scholarship and honor rolls.

In society, we celebrate and reward great athletes with accolades, scholarships and letter jackets.

In society, what do we do for the great people? The people who make a meaningful difference in the lives of others because they make them feel like they matter.

BonafideU empowers young people to recognize acts of kindness and reward those acts with meaningful scholarships, wearable statements of the brand, and social esteem through a youth driven movement. Among the most powerful, least expensive, most under-rated agents of human change are unexpected acts of kindness. Even more powerful is the recognition and reinforcement of those acts.

BonafideU recognizes and rewards kindness. BonafideU people make others feel like they matter. BonafideU is the platform for telling stories about those people who make others feel like they matter. The purpose of the BonafideU Kindness Scholarship is to encourage peer recognition of kindness; reward young people who make others feel like they matter and share productive, inspiring stories about kindness that highlight people making others feel like they matter.

The scholarship recipients do not apply for the scholarship, they are nominated by their peers.

The Community Partnership Program is how BonafideU recognizes our dedicated partners for their support of our kindness mission and allows our Community Partners to connect with their community in a meaningful and impactful way. Marty Rathmanner from Keller Williams Premier Realty provided resources for the first scholarships.

**Song: Ken Baltzer**

You are my sunshine, my only sunshine,  
You make me happy when skies are gray,  
You'll never know, dear, how much I love you,  
Please don't take my sunshine away.

The other night, dear, as I lay sleeping,  
I dreamed I held you in my arms,  
When I awoke, dear, I was mistaken,  
And I hung my head and I cried: (Chorus)

You made a promise that you would love me,  
If I would only do the same,  
But now you've left me to love another,  
You'll regret it all some day. (Chorus)
